The slim pen records video at 1920x1080 resolution with crystal clear audio. Reliable operation and rugged internal components have led this to be the pen of choice by police departments such as the NYPD, government agencies, and private investigators. The laser etched glass lens allows maximum light to enter the tiny unnoticeable pinhole camera to produce an extremely clear a vivid picture. The zPen-1080 is truly remarkable with a variety of modes; video recording with audio, still photos camera to snap clear detailed images or voice recording. Suggested Use Candid Capture - Record your subject in its natural settings without revealing that they are on camera. Getting Harassed? - If you are being harassed by your neighbors, co-workers, family, or others, nothing is better than this pen to prove your case. Job Interviews - Record your interview from either side for later review to improve your interviewing skills. Watch over your kids. - Kids can be camera shy when they know they are being recorded, record them naturally to capture precious moments of goofiness and joy Delivery Proof - If you deliver goods or food for a living it's a sure way to prevent discrepancy by recording every delivery. Customer Service Issues -While dealing with customers in any sort of business, sometimes a customer can become angry or abusive and put your word against theirs. Keep this pen in your pocket and tap the button anytime there is an issue to protect your rights and job. Main Features No Flashing LED - The LED indicator is located conveniently on the back of the pen and will only flash dimly 2 times to indicate the recording has started. One Button Operation - Simple and easy, to record just press one button to start. HD Video & Audio - Capture brilliant 1080p HD video with sound (it may be illegal to record audio without the consent of the other party so please check your local laws) Date & Time Stamp - Video has an embedded Date & Timestamp overlay in the corner of the video. This feature can be easily turned on or off Fully Functioning Pen - Not only a state-of-the-art camera, but the zPen-1080 is also a fully functional pen with replaceable ink. 1 HR Batt. Life - Built-in Lithium-Ion battery that lasts for over 60 min per charge Unnoticeable Pinhole Camera The zPen-1080 has an HD pinhole camera that is as high quality as it is inconspicuous. Avoid any detection with the tiny lens. Other video pens may also have HD video sensors, but often take several seconds to adjust from a low light setting to a well-lit one, making your video washed-out and

unusable. The zPen-1080 compensates for this state-of-the-art technology 1080P HD Video QualityHigh-quality 1920x1080p video recording up to 30fps (frames per second) for the best video quality in a hidden camera.
